9. [REDACTED] LIAISON Accompanied Tom Latimer, Staff Director, House Permanent Select Committee on Intelligence, and Loch Johnson, of the Committee staff, to a meeting with John Waller, IG, in Mr. Waller's office. Procedures were established for the Committee to contact the IG directly in cases of professional complaint from present or former staffers and personnel complaints from current staffers. Additionally, Mr. Waller insisted that OLC be informed of such contact. Lastly, Mr. Waller outlined for Messrs. Latimer and Johnson the functions of the IG and the kinds of manpower that are currently being devoted to inspection activities.

10. [REDACTED] LIAISON I called Dan Childs, Senate Select Committee on Intelligence staff, to inquire about S. 2939. He said that Chairman Birch Bayh (D., Ind.) and Senator Harry F. Byrd (L., Va.) had met to try to resolve jurisdiction problems which have come up. They failed to settle the issue so Senator Byrd asked the Senate for further time and got until 30 June. Childs is not optimistic about everything being settled by then. He is working to get a decision on the Intelligence Community Staff reprogramming for FY 1978 so that can move along.

11. [REDACTED] LEGISLATION Called the Committee on Human Resources Subcommittee on Health and Scientific Research to check on the floor action with regard to S. 2579, the "Biomedical Research" bill. I spoke with Bob Wegner, Subcommittee staff, who informed me that the bill was to be voted on within an hour of my call. Mr. Wegner indicated that floor action resulted in no changes in our suggested amendments. Mr. Wegner also said that any other changes would have no impact on CIA.

12. [REDACTED] LEGISLATION Called the House Judiciary Subcommittee on Administrative Law and Governmental Relations to check on the status of H. R. 959, the "Administrative Rule Making Reform Act of 1977." The bill is pending before the Subcommittee with nothing scheduled.

13. [REDACTED] LEGISLATION Called the Senate Rules Committee to check on the status of S. 2 and S. 1244, two "Sunset" bills. Mark-up has been completed on both bills and they have been ordered reported.
